

Light Your Heart With Hope

February 16, 2019

Dear Friends,

Welcome to Hunter's Day of Hope and Prayer for Children!

The theme this year is "*Light Your Heart with Hope*" ~ the tagline of our logo.

It is comprised of a heart and within the heart there is light in the form of a candle flame. Do you see it?

Before Hunter was diagnosed with Krabbe disease, we chased after everything the world had to offer. We thought the things of this world would fill the void in our hearts.

But then, we were told that Hunter was dying and would more than likely not live to see his 2nd birthday. We were devastated and heartbroken. Everything we had placed our hope in came up empty and meaningless.

It seemed as though we had nowhere to turn. Until God intervened.

As a result of Hunter's diagnosis, we turned to God. We prayed and prayed and often times begged Him to heal Hunter. To heal our entire family. We were desperate for hope.

God answered our prayers. He filled our lives with the Light of His presence. He opened our hearts to receive a greater Hope than anything this world could ever offer - His Son, Jesus.

Now, it is our hope and prayer for you, that God will *Light Your Heart with Hope* too.

With Hope and Prayer,

The Kelly Family

"For God, who said, 'Let light shine out of darkness,' made His light shine in our hearts to give us the light of the knowledge of the glory of God in the face of Christ." ~ 2 Corinthians 4:6
